# Ready to buy?

1

## Deposit your way

Talk to your sales agent about securing your property **the Coposit way** with a low upfront deposit and weekly instalments.

2

## Download the Ammoze App

Create your **secure account**, get **Coposit qualified**, and **pay your deposit** via our **trusted payment partner**, **ammoze**.

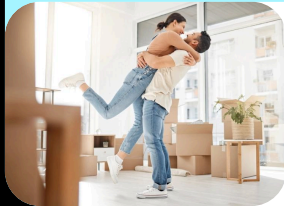

3

## Weekly payments, Made easy

Your weekly payments are **automatically transferred** into our **regulated trust account** until it's time to **settle or move in**.

# Who is using coposit?

## First home buyers

Coposit buyers enter the market 10 years earlier than average — own sooner without the full upfront deposit.

## Investors

Already have the full deposit? Use Coposit to maximise cash flow, keep funds in your offset, or invest elsewhere while securing your property.

## Downsizers

Secure your new home before selling your current one, giving you time to plan without the pressure.

## Owner occupiers

Whether it's a larger family home or simply a place to call your own, Coposit helps you buy with confidence.
